Northeast Equestrian Series

The Northeast Equestrian Series (NES) is a schooling show series located on Long Island. The series is founded on the principle of bringing the local horse community together through safe competition, comradery, and horse/rider development. The horse show divisions are hosted at the following equestrian facilities; Hidden Pond Stables, Bohemia Equestrian Center (managed by Islip Horseman's Association), Old Field Farm, and Country Farms. All registered participants in Northeast Equestrian Series divisions will be eligible to compete at the NES Finals held at Old Field Farm each fall. NES riders and horses are also eligible for year-end awards based on the accumulation of points throughout the show season. The celebration of the horses, riders and awards is held during the Annual Northeast Equestrian Series Banquet.

COUNTRY FARMS SERIES AWARDS

Series awards will be given out at the end of the season to Grand Champion and Reserve of each division. To be eligible for our awards, riders must compete in at least two shows in the same division. No horse substitutions will be permitted in hunter or jumper classes. Points will follow the horse in hunter and jumper divisions regardless of the rider. Points will follow the rider in equitation divisions regardless of the horse.

Directions to Country Farms

Heading Eastbound on the LIE: Exit 65. Take service road straight, going past the 1st light at Horseblock Road to the second light which is Bellport Avenue. Make left on to Bellport Avenue. Follow Bellport Avenue over LIE light and past stop sign. Continue straight on Bellport to Country Farms on left side. Drive up to the middle of the gates and they will open automatically.

Heading Westbound on the LIE: Exit 66. Continue straight through first light staying on service road. Take service road to the second light which is Bellport Avenue and make a right. Stay on Bellport Avenue past the next stop and go straight to Country Farms on left. Drive up to the middle of the gates and they will open automatically.
